American Defectors to Sino-Soviet Bloc Countries

On October 24 Mr. Gatewood addressed a memorandum to you on the above subject, and it is my understanding that it was agreed between you that SY would keep the official list on Americans who have defected to the Bloc. In response to a letter of October 25 from Mr. Cumming, Mr. Bissell of the Agency has provided the Department with a list of such defectors. The original copy of the list is attached for your files.
